It features a new control scheme, new icon themes and even a new Gamecube controller hack. The "Classic" icon pack takes the "Epic" design style that worked so well for Epic Mickey 2 and updates the appearance of all the game's original icons. This is an exciting theme that brings all the fun, emotion, and wackiness of the Disney Monsters films to your desktop. This theme will display high-quality stills of your favorite animated characters, bringing a smile on your face.

Unleash the power of Monsters on your desktop! This unique theme features a treasure hunt of high-quality stills, movie clips, and clips from the films of the Disney monster team. The Main Menu is the 'star' of this theme, featuring a deep orange color scheme, a stunning menu with animated menu items. Included in this theme are 28 high-quality movie clip stills, 9 movie clip banners, and 15 animated icons. This theme features a 'Goblin King' icon theme, which is perfect for when the 'Goblin' theme is not available. You can use it by selecting the 'Classic' icon theme, and changing the 'Goblin' icon theme
