See more: Nikon DTM-322 Series of Survey InstrumentQ: Adding the space an object takes to an array of objects I have an array of objects with lots of other properties. I create a new object from this array using new keyword. I need to add the space to the new object in order to make the columns of my page match the grid. This is what I have so far : var topArray = new Array(); topArray[0] = new Object(); topArray[0].id = "0"; topArray[0].type = "01"; topArray[0].count = "1"; topArray[0].created_at = "1380668979"; topArray[0].updated_at = "1380687836"; topArray[1] = new Object(); topArray[2] = new Object(); topArray[2].id = "0"; topArray[2] = new Object(); topArray[2].count = "3";
