What's New in the Desktoptopia?

Desktoptopia is a Desktop Background Manager which helps you get the most from your monitor by displaying a variety of desktop wallpapers on it, with just the click of a mouse. You can also change the background settings at any time, and can even add your own desktop wallpapers from your desktop or folders. Download desktop "Blue" Desktoptopia comes with a collection of over 7,000 desktop wallpapers in a wide range of categories including: Animals, Art, Nature, Sci-Fi, Technology, Sports, Shopping, Architecture, Fashion, Games and more. All of these desktops can be easily displayed at the same time with a single click, and can be changed at any time, and the images are refreshed automatically with no need for intervention on your part. Features: ✓ One Click Wallpaper Display: Simply click once to show the desktop. You can turn off Desktoptopia when you want. ✓ Automatically Change Background Settings: The wallpaper can be changed to a different background at any time, and you don't even need to close Desktoptopia before doing so. ✓ Easily Add New Desktop Wallpapers: From anywhere on your system you can create new desktops with Desktoptopia, and they will automatically be added to the list of available wallpapers. ✓ Desktop Decorating: You can customize your desktops to include icons and other items. You can drag and drop any of the desktop items to any part of the desktop. ✓ One-Click Save: You can save any desktop as a JPG image to a folder on your system. ✓ Wallpaper Previews: You can see the desktop wallpaper before you save it to your system. ✓ Easy to Use: Desktoptopia is designed to be an easy-to-use application that should take no more than 10 minutes to learn and use. The desktop backgrounds are easy to add and the wallpaper changes are just as easy. ✓ Simple Interface: The only thing you need to do is click once to set the desktop, and then click again to save the desktop, and then you can close Desktoptopia. Why Choose Desktoptopia There are many great desktop managers out there. Some require you to pay to download wallpapers, some limit you to just one wallpaper at a time and some are limited to just a certain type of desktop wallpaper (i.e. Gaming, Nature, Shopping, Sports, Sci-Fi, etc.). Desktoptopia is different. Desktoptopia is a free desktop manager, and includes over 7,000 free desktop wallpapers in a wide range of categories including: Animals, Art, Nature, Sci-Fi, Technology, Sports, Shopping, Architecture, Fashion, Games and more. All of these desktops can be easily displayed at the same time with a single click, and can be changed at any time, and the images are refreshed automatically with no need for intervention
