## Changing language of Total War, a game in our forum

Jul 5, 2019 I tried to play Total War Attila in Spanish language and when I start the game it says that it can not found the game, I have the Spanish language, and also I installed the crack after the conversation problem, but it doesn't work, it says that the game is missing, the English version works, but I want the Spanish version, please tell me how to fix this, I'm really appreciate your help,

I spent 2 days with this, and don't find any solution, Thanks. Sep 25, 2019 Hey guys, I'm having an issue with a game called Total War Attila. It says when I try to play it that the game is missing but I do have it installed. I was told by others that this issue is because it is the new Mac OS requirements but I am not on a Mac. Why is it asking for that? Are they trying to force Mac users to run an older version of the game? A: As it says on the Total War Official Site OS Requirements Mac OS: Requires OS X 10.5 or later. If you cannot upgrade to newer versions, install Total

War: Attila by following the instructions in the App Store link. I did a google search on this and this was the first link I found ( Staff Picks: 5 Summer Greats in Oakland Here are some of our favorite restaurants in Oakland, from the slithering secret to the best dinner show in town. We can't tell you what's best. Oakland is that kind of town. And while we might tell you that some restaurants are better than others, we can't tell you which ones are. Our choices are mostly personal favorites, but because we have only so much space to work with, they are not meant to be comprehensive. If you have a favorite eatery we missed (or don't see fit to mention), write about it in the comments. Five from the OC Fried Tacos Let's face it — crispy tacos are awesome. That's why one of the first places we visit when we spend the night in Oakland is there to eat them. The best experience we've had in town is when we first stumbled upon Fried Tacos, located just off Main Street
