Here is Adobe InDesign CC 2017 10.3 download link with patch. you can get latest full setup with 64 bit. You can easily download the file from the link provided below. But please make sure that the file is the full setup. Download Link Hopes this helps:) A: Indesign CS6 can be downloaded from the link provided below. You can find the 64-bit single link setup in the link. Adobe Indesign CS6: Download Hope this helps:) Q: How to display json values in AngularJS I have a problem of displaying data from the server to a table. I use $http on my AngularJS service and I return an object with all the data of my product. I'd like to know how can I create a page for each data on the table. Here is the code of my Service : app.factory('DataPointService', function ($http) { var DataPointsService = {}; DataPointsService.getDataPoint = function () { return $http({ url:'myURL.php', method: 'GET', headers: { 'Content-Type': 'application/json; charset=utf-8' } }); } return DataPointsService; }); I call this service in the controller: app.controller('ProductCtrl',['$scope','$http','DataPointService',function($scope,$http,DataPointService){ DataPointService.getDataPoint().then(function(response) { 0cc13bf012
