New 'Tactical AI' Assists Coach on FIFA's most dynamic and realistic offense and defense New 'Training Mode' allows coaches to teach the players new tactics and play styles by recording their actions through the game while playing with the AI Virtua Tennis Returns - The Official Game of Tennis Announced as the Official Sports Game of EA SPORTS™ FIFA 19 PES 2019 is Now Available on PlayStation®4 and is Coming to Xbox One, PC and Nintendo Switch in July 2019 EA SPORTS™ FIFA 19 is Now Available on Nintendo Switch, Xbox One and PC EA Sports and IMG today launched the reveal and demo for EA SPORTS™ FIFA 19, the official game of the year. The game will be available globally on PlayStation®4, Xbox One and PC in the first quarter of 2019. Check out the trailer below. Inspired by global versions of EA SPORTS™ FIFA 18, FIFA 19 delivers an all-new engine that improves ball physics, provides a range of new skill moves and introduces HyperMotion™, an all-new set of interactive animations for attacking and defending players. FIFA 19 includes a host of new and improved player models, including the debut of the most detailed visuals to date for Cristiano Ronaldo, Luka Modric, Lionel Messi, Neymar Jr., Kylian Mbappé, Kylian Hazard, Antoine Griezmann, Radja Nainggolan, Francesco Totti, Mats Hummels and Mats Hummel. New football clubs, competitions and ball physics powered by the all-new FIFA engine provide immersive levels of realism, delivering a more authentic football experience. Virtual Ball Physics The new FIFA 19 engine uses groundbreaking virtual ball physics to give players the most authentic, realistic simulation of football ever. Variations to the new engine allow for better control of the interactions between the ball and its impact with the pitch, impacting both the movement and the cover of the ball. Improvements to the new engine provide better ball feel during bounces and overhead kicks, while greater control over the ball's rotation and spin during runs and pass plays allows players to launch clever, goalscoring opportunities. Newly Improved Player Physics As part of FIFA 19's improvements to the new engine, the most physically sophisticated player models to date are introduced, including the debut of the most detailed visuals for international stars Cristiano Ronaldo, Luka Modric, Lionel Messi, Neymar Jr., Kyl
