Not just the passive usage of psychedelics like LSD, but the more active usage of prescription and recreational drugs. Before we dive into the kick-ass documentary that I watched today, let's look at the definition of addiction. In a simple way, addiction can be defined as an impulse control disorder. Impulse control disorders happen for a variety of reasons. Sometimes a person develops an addictive personality trait. Neuroscientists are now finding that addictions have a root in our brain. Here's a very short explainer video that explains addiction. If
