Enjoy from over 60 Lakh Hindi, English, Bollywood, Regional, Latest, Old songs .I made this card to use the the I Love Graduates stamp set but I think I changed it a little. The base of the card was created using the green sentiment with it's coordinating stamp and some enamel dots. A background panel was created by stamping the full sentiment and then using the coordinating stamp and stampin up and embossing folder to emboss it and then layered on the sentiment panel. To create the main focal image I cut it out using the coordinating Nestabilities set. I then stamped it using the coordinating stamp and Basic Grey and BG Inks. I then added several Basic Grey and BG Inks strips for the mustard/candy chipboard letters. The ribbon was added using dimensional tape. I made this tag using a coordinating stamp set and coordinating stamp inks to match the image. About Me I'm a SAHM of 3 gorgeous girls and a loving husband. When my kids are off playing in our backyard swing set or at the park, I can be found card making at night or searching for new and exciting stamping techniques at various stamping shows throughout the year.
