ELDEN RING is a fantasy action RPG developed by the art studio CREATE. PROJECT in collaboration with CYGNUS WING featuring illustrations by legendary artist Inuyasha. The game is available for Android tablets and smartphones for US\$4.99/€4.49. ABOUT CREATE.PROJECT Create.Project Inc. is a new and exciting venture led by CEO Oh-Kun Ko in the Entertainment Software field. Through close interaction with the industry and passionate support for creative and talented content creators, Create.Project aims to deliver a broad range of exciting mobile games worldwide. Create.Project has formed strategic partnerships with top Japanese game companies including WIXOSS Inc. Create.Project will launch major projects with its partners and continue to expand its own game production division. ABOUT CYGNUS WING From the ancient myths of the East, the cygnus, "Concord," is a bird of the Zoological BIRTHPLACE. Its plumage reflects its graceful form and weight; the symbol of love. In response to the needs of the times, the creator of the cygnus, Inuyasha, painted this bird in beautiful colors with a keen sense of beauty. The cygnus is one of the most beautiful birds in the world. ABOUT WIXOSS WIXOSS Inc. is a mobile game company based in Tokyo, Japan. As a leading online game developer and publisher of numerous successful games, the company continues to acquire top online games in the field of franchises such as Dragalia Lost, Opira, Devil Summoner and WIXOSS. WIXOSS Inc. has also had an active presence in the field of film production with productions of Gods in Harajuku, "Marine Chronicle" and the movie adaptation of FINAL FANTASY XV.
