What's New We've made some major changes to our stock icon catalog! What you see here is only a fraction of all stock icons. We added over 150 new and latest icons for your convenience. We've also added a Download All option to the icon search so you can save time clicking through millions of stock icons. Now with a single click you can download an entire collection of 1000s of stock icons for no added cost. Bug Fixes Fixed a lot of bugs that have occurred over the past few months. This update fixes a lot of bugs, including but not limited to, the purchase confirmation code being sent to our users email address(es) instead of the one it was supposed to be. The icons are also being added to the catalog based on your previous orders, not the date of the catalog's creation. You must have the latest version of the program in order for the icon searches to work. This update also significantly speeds up the order process. If you have any questions, problems or suggestions for the icon search, please, contact us directly.
