edt monoposte 2012 | eau eau
Henri Matisse is known as the French 'Man of the Millennium' and his iconic style is synonymous with a sense of humor and a subtle sense of sarcasm. His fashion is intriguing: some of his designs are cliches, some are very original, and some are very unusual. His pieces are not only for stylish men, they are also suitable for women. The men's fragrance 'Edt', by Henri Matisse, was established in the 60th years.
