Hayley, now sixteen, the same age as Percy Jackson, wrote "Son of Magic" specifically for this book, and I must say that he managed to answer some questions. It was surprising to me that the book was such a success. I'm glad it happened. But I am also glad that this is not the only success. I wrote it for the sole purpose of getting people to read it. I hope they find it interesting and that it amuses them. I can't promise it will change their lives, but I can promise they will have fun! I hope that this will be the case. I hope he can please them because I don't want it to be any different.
