Betty.Blue.1986.Directors.Cut.720p.BluRay.x264-PublicHD.. Betty.Blue.1986.Directors.Cut.720p.BluRay.x264-PublicHD. Betty Blue (1986)

Directors Cut 720p-1080p BluRay x264-PublicHD. Here, this is a remake of Betty Blue by Jean-Jacques Beineix (La Ragazza di Trieste). I'm a fan of the director, but 'Betty Blue' is one of the worst of the year.

Compared to the entertaining, non-offensive use of nudity in 'La Ragazza di Trieste, La', I cannot get enough of 'Betty Blue', where Beineix showed too much of his most famous female star's (male) body. It's not my favorite Jean-Jacques Beineix film, but it is mostly about the female body. The movie is not entirely successful, but still very good in many aspects. This is probably a director's worst film in the genre. The screenplay needs much better adaptations, some are more successful than others. The movie has a good sex scene, but it is more important to have good characters with strong emotions and interactions. Jean-Jacques Beineix's imagination does not reach the level of his talent. (The only thing his talent is capable of

is penis penetration.) But here, it is a sad and strange comedy, where a man is more interesting than the women. I really wonder why he accepted a role as the main character. If there is a fight between the man and the woman, it will be most certainly won by the woman. Still, having a maximum of nudity in the film is also a plus. The homosexual theme of the film is well hidden and only the film is more than that, it's a comedy. The main characters are not extremely attractive, but still have good characters. Nevertheless, the film doesn't have a good theme, this is a shame, considering that Jean-Jacques Beineix is a very competent director and usually make good movies. But it will not surprise you to find that if you compare 'Betty Blue' with 'La Ragazza di Trieste, La' or 'La Petite Sœur', you will see some clear differences. Beineix uses the same characters, but he feels better than his love affairs. A movie that sometimes had the feeling of an incompetent amateur film. 'Betty Blue' is a good movie, despite its bad reputation. Though the critics of this movie are often very unfair. (for example, why is he

called a perverse filmmaker? He did not make the film particularly perverse.) I'm not a fan of this film, so that I personally decided to write a review about it. It has a mystery, a romance, a comedy and a theme (personally I did not see it). Too bad the movie received negative criticisms, especially considering the subject itself. I would like to add that it is better without censors. But this film is only interesting if you're a fan of Jean-Jacques Beineix. I definitely prefer his second and third movies (I recommend you check them out). 'Betty Blue' would have worked as a more mature version of The Artist. 5ec8ef588b
