Ashkevitch Gershon Ashkevitch (born 1945) is a professor of Hebrew language  
and literature at the University of Massachusetts Amherst. He is a specialist in  
the works of S. Y. Agnon, and has published a number of works on Jewish culture  
and identity. Ashkevitch earned his undergraduate degree at Yeshiva University  
and his Ph.D. at the University of Minnesota. He taught at New York University,  
the University of Maryland, and the University of Hawaii before taking a position  
at UMass. He is one of the founding members of the Israel Studies Center, a  
research and research training institute at the university. Selected works

people)Q: xcode cannot find "run scheme" command I have a problem in Xcode, I  
installed the ios 10.2 and then I downloaded and installed the beta version of  
xcode 10.2 and after that I have done some changes in my project and then when  
I press on the play button in the ios simulator it says that I have to run the project  
by double-click on run scheme (CMD + R) but I can't find that action...
